CAMPAIGN STRATEGY

PLAYER VERSUS ALIENS - SYMBIOSIS

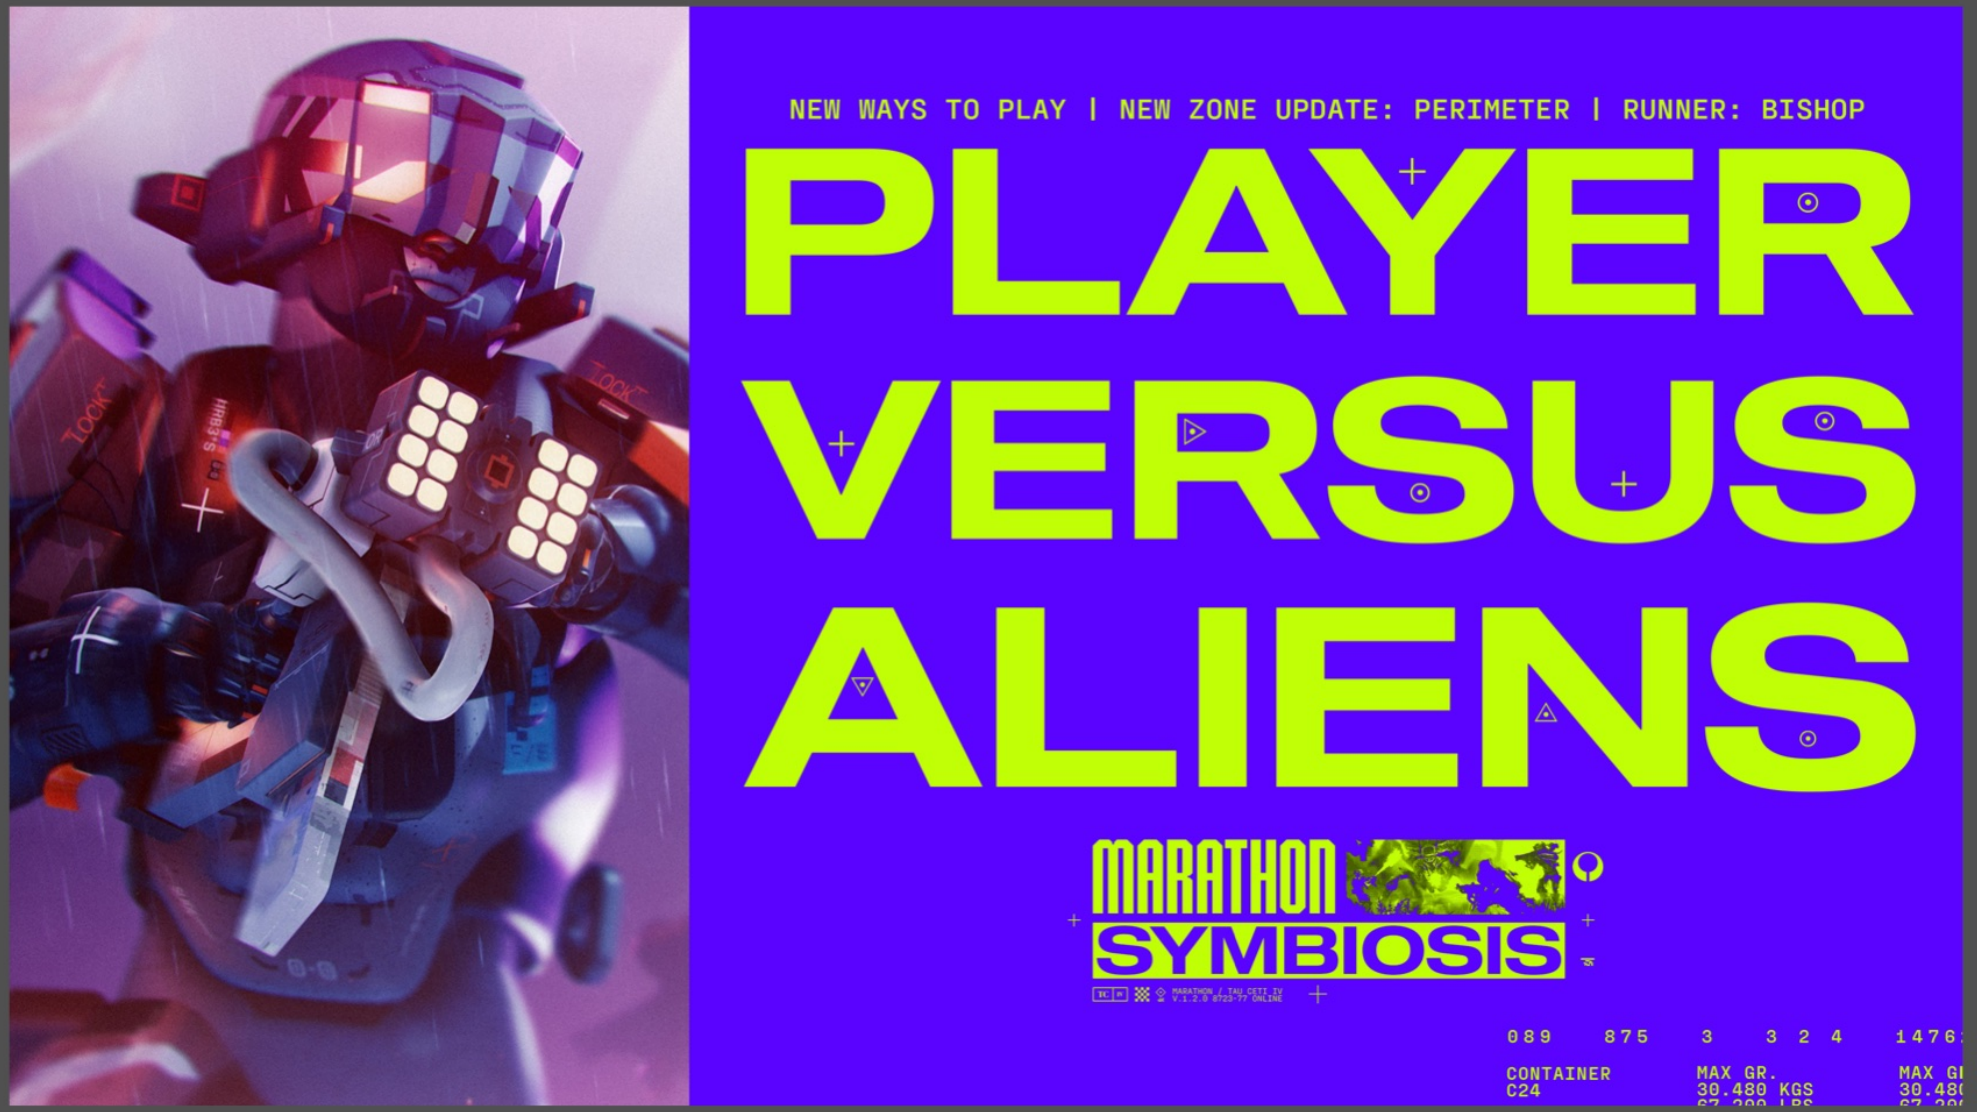

- The Player Versus Aliens campaign promotes Marathon's Symbiosis update releasing December 8th. The campaign focuses on new content and gameplay experiences while maintaining Marathon's existing visual identity.
- Campaign Archetype: The Everyperson
  - Shift toward a more approachable experience for a wider audience.
  - Highlight new ways to play and improved onboarding.
  - Appeal to new players without losing Marathon's competitive identity.
- Campaign Goals
  - Increase awareness of the Symbiosis update.
  - Encourage existing players to return for new content.
  - Attract new players who may be intimidated by the game's difficulty.
- Unique Value Proposition
  - Marathon combines competitive extraction gameplay with exploration and survival in a unique sci-fi world. Symbiosis expands that experience with new enemies, equipment, and ways to play.
- Call to Action: Experience Symbiosis on December 8th.
